

Brunello di Montalcino

"Fiore Di NO"

2016

Fiore di NO is Natalie Oliveros's thumbprint on La Fiorita to select and extract the essences of 3 of 4 of our vineyards: Pian Bossolino (360m), Giardinello (360m) and Collo Sorbo Vineyard (220m). Only on exceptional vintages, the diversity of soils carried by the Sangiovese from these 3 parcels give birth to wines where Natalie Oliveros has extracted the purest contrast between profound texture and freshness. She then blends these unique essences together to transform these singularities into a unity that is: Fiore di NO Brunello.
